## Join Our Circles Campaign

The Central Sierra Historical Society is excited to launch its new fundraising campaign, this campaign is the first in a fundraising plan to include 5 Circles to join for those interested in helping to build the future of our organization. These campaigns will roll out over the next couple years and will further allow us to fulfill our mission to enrich the cultural and educational experiences of visitors to the Sierra Nevada Mountains, and deepen their understanding of the human and natural history of this area. CSHS hopes to inspire future generations by bringing to life the challenges and achievements of the people who lived here.
