

Alder Springs Community Work Day

Saturday, January 9th @ 10am

Sierra Resource Conservation District, Natural Resource Conservation Service, Central Sierra Resiliency Fund and People Food and Land Foundation are teaming up to help the Alder Springs Water Association and property owners with soil stabilization at **10 am on Saturday, January 9**. We are looking for volunteers to spread weed-free rice straw and fill sandbags to help with erosion control to try to save the second oldest community this side of the Sierras.

Training will be provided. To volunteer please send an RSVP to Lisa at rfvolunteers@sierrahistorical.org

Meet at the intersection of Auberry Rd and Alder Springs Rd

We highly recommend carpooling as parking is limited. Masks required.

Lunch will be provided by [Chick-fil-A](#)
