

Auberry Road Community Work Day

**Saturday January 16, 2021
10AM**

Sierra Resource Conservation District, Natural Resources Conservation Service, Central Sierra Resiliency Fund, and People Food and Land Foundation are supporting a Community Work Day to stabilize soils in the vicinity of Pine Ridge School (from 168/Auberry Road heading west about 1 mile). Volunteers from Scouts Troop 301 and AmeriCorps will spread straw and apply County-donated wattles to mitigate for erosion. Community education and volunteer training will be provided. If you would like to volunteer or if you are a homeowner in this community and want to participate, please contact Lisa at rfvolunteers@sierrahistorical.org

**Meet at 45089 Auberry Rd.
Please wear masks, gloves, and close-toed shoes.**
