

# SPRING SEEDLING PREPPING & PACKING

## February 10th @ 9:00 am

---

### **VOLUNTEERS NEEDED!**

The Central Sierra Resiliency Fund's Seedlings of Hope program will be hosting the first 2026 workday on February 10th. The workday will include lifting and packing seedlings from a nursery in Orange Cove, CA so they can be transported to cold storage until ready for spring planting.

Lunch, snacks, and water will be provided, however, volunteers are encouraged to bring reusable water bottles.

Volunteers are encouraged to wear close-toed shoes, long pants, gloves, and sun protection.

**RSVP to Meghan at [Seedlingsofhope@sierrahistorical.org](mailto:Seedlingsofhope@sierrahistorical.org)**
